James Williamson, Director
Facilities Planning and Management

Dear Sir,

Teamsters Local 17 and employees of your staff, respectfully request an audit per CSA Rule 7-34. The employees feel that an audit needs to be conducted because a significant change in the type or level of duties and responsibilities has changed over the last year.

Examples:

1. Janitorial employees are now performing work on a consistent basis setting up PA systems for the Mayor's office, City Council, Dignitaries, and Private functions.
2. Janitorial employees are staging and hauling furniture.
3. Janitorial employees are asked to drive vehicles not usually associated with their jobs.

In the spirit of cooperation, we would respectfully request a meeting with you or your designee and the employees affected by a potential Audit so that we can fully inform you of our position. I may be reached at (303) 433-6496, Ext. 16.

Sincerely,

Ed Bagwell
